JUSTIFICATION

Requirements in HQ, USMC and the listed OPs are predicated on the need to support the Fleet with adequate intelligence, to enter into national and departmental planning and estimates, and to maintain an adequate Navy posture in such matters as R&D. In each case, the recommended billets reflect the desires of the DCNO concerned.

OP-09 (4)

BUWEPS (3)

CHIEF, BUWEPS  
DIRECTOR, PHOTO DIVISION  
ASSISTANT CHIEF FOR PACIFIC MISSILE RANGE & ASTRONAUTICS

JUSTIFICATION

BUWEPS receives knowledge of this program for application to (1) the design of countermeasures in weapons and aircraft; (2) R&D for other reconnaissance programs; (3) coordination with similar and related programs monitored by BUWEPS.

BUSHIPS (2)

CHIEF, BUSHIPS  
ELECTRONIC DATA PROCESSING

JUSTIFICATION

The Chief of the Bureau is needed as a point of contact to determine if further "must know" exists in the Bureau of Ships. DR. DAVIS of DAVID TAYLOR MODEL BASIN is engaged in the application of electronic data processing to intelligence in connection with the installations planned for Joint Command and Control Centers and the CNO Flag Plot. To properly plan format and programming, she must know the sources, volume, and security restrictions on the input and output to the system.

ONR (2)

DIRECTOR OF NAVAL RESEARCH  
FIELD PROJECTS RESEARCH ANALYST

NRL (1)

DIRECTOR, NAVAL RESEARCH LABORATORY

JUSTIFICATION

Both ONR and NRL are engaged in research projects in the field of intelligence which require access to data derived from the T-KH source. Early detection of ICBM firings and development of ELINT collection equipment are two examples of such projects.
